CYANIDE PILLS - SLICED AND DICED

Waan jezelf in 1978 met deze als vanouds klinkende punkplaat. Simpele punkbeats en catchy refreïns komen veelvuldig langs op deze plaat. Voeg hier nog eens messcherp gespeelde gitaren, een stevige ritmesectie en een zanger die er wel van houdt om z'n kritische blik te uiten aan toe en je hebt een knaller van een plaat. Opgenomen in The Billiard Room Studio te Leeds door Carl Rosamond. Hebben onder andere al opgetreden met The Buzzcocks, UK Subs, Johnny Moped en The Lurkers.

FIT FOR AN AUTOPSY - GREAT COLLAPSE

In 2015 speelden ze meer dan 200 shows ter promotie van *Absolute Hope Absolute Hell*, daarna stonden ze op de split release *The Depression Sessions*, nu is het tijd voor het vierde album.

Deze plaat is – net zoals de vorige – voor experimentele metallars: dit album laat zich het best beschrijven als death metal met een atmosferische groove en mooie tussenpassages, waarbij de duistere melancholie niet geschroomd wordt.

KING OF ASGARD - TAUDR

King of Asgard is na een kleine stop om alles weer op de goeie weg te krijgen terug met mini album *Taudr*, waarop Karl Beckman en Jonas Albrektsson nieuwe energie hebben gevonden, wat garant staat voor een kort, maar krachtig album

Invloeden van Bathory en Isengard zijn overduidelijk terug te horen, maar ook epische melodien in dezelfde lijn als Moonsorrow, Kampfar en Myrkgrav zijn terug te vinden. Om het allemaal af te maken, zijn er hier en daar ook nog folk achtige passages, wat dit mini album tot een krachtig, mooi geheel maakt.

1. *The Curse and the Wanderer* / 2. *Death and a New Sun* / 3. *:taudr:* / 4. *...for the Fury of the Norse* / 5. *Upon Raging Waves (Mithotyn cover)*
