### FREAKY AGE - INNER STRANGER

25 jaar. 4 albums. Een live-reputatie die tot ver buiten onze landsgrenzen reikt en die de band al op het podium van zowat elk festival en elke club bracht. Het verhaal van Freaky Age is er één van een uitzonderlijk kaliber. Met als startschot: Humo's Rock Rally anno 2006, waar de band een pioniersrol speelde door als jongste band ooit (14 jaar oud) de finale te halen.

Met hun geroemde live-reputatie en een uitgekiende live set die het beste van 4 albums bevat, belooft Freaky Age opnieuw een van de spannendste acts te worden in België.

*1 All for nothing / 2 Like a machine / 3 Drink about it / 4 Waste no tears / 5 Everything is better now / 6 My own god / 8 Lobotomy / 9 Higher ground / 10 Issues / 11 Tomorrow's Monday / 12 Hell of a ride*

Review op Indiestyle. Interviews op De Redactie, Dansende Beren, Humo. Veel posts van online van o.a. Damusic, Musiczine, De Standaard en veel andere sites.

### ALFAHANNE - DET NYA SVARTA

Toen de Zweedse band ALFAHANNE in 2010 naam voor zichzelf begon te maken, deden ze dat met een mindset en vastberadenheid om rock n' roll weer gevaarlijk te maken. Ze omschrijven zichzelf als "Alfapocalyptic Rock", welke staat voor een mix van Black Metal met klassieke rock en punk invloeden.

### TELEPLASMISTE - FREQUENCY IS THE NEW ECSTASY

Teleplasmiste is een samenwerking van twee creatievelingen, die allebei een aanzienlijke ervaring in het estorische hebben. Dit debuutalbum is dan ook geïnspireerd op hun ervaringen. Het duo bestaat uit Mark O. Pilkington (Strange Attractor Press, Urethona) en Michael J. York (Coil, Cyclobe, Guapo en The Stargazer's Assistant).

Het album bestaat uit zes lange stukken, die mediterend werken. Voor fans van Daphne Oram, Else Marie Pade, Cluster en Tangerine Dream.

### LES DISCRETS - PREDATEURS

De duistere dromers van Les Discrets zijn terug met album *Prédateurs*, hun eerste langspeler in vijf jaar. Les Discrets kennende zijn ze ook dit album weer gaan experimenteren met sound: waar het hiervoor shoegaze gemixt met postrock/ -metal was, zijn ze nu meer de indie kant opgegaan met hier en daar een elektronisch tintje. Voeg daar nog eens een paar invloeden van trip-hop en jaren '70 soundtracks van films aan toe en je hebt het nieuwe geluid van Les Discrets.

1. *Prédateurs* / 2. *Virée Nocturne* / 3. *Les Amis De Minuit* / 4. *Vanishing Beauties* / 5. *Fleur Des Murailles* / 6. *Le Reproche* / 7. *Les Jours D'Or* / 8. *Rue Octavio Mey* / 9. *The Scent Of Spring (Moonraker)* / 10. *Lyon - Paris 7h34*

Bonus CD Live at Prophecy Fest 2016 (Alleen bij de 2CD + Artbook en boxset. CD zelfde tracklisting als DVD):  
1. *Le Reproche* / 2. *Virée Nocturne* / 3. *Fleur Des Murailles* / 4. *Rue Octavio Mey*.

Interview + review in Rock Tribune. "Een knappe prestatie die van ons de verdiende waardering krijgt" 8.5

## BABY WOODROSE - MONEY FOR SOUL

Re-issue op groen vinyl van het tweede Baby Woodrose album, dat origineel in 2003 uitkwam. Op *Money for Soul* heeft Baby Woodrose een unieke sound gecreëerd, die doet denken aan alle goede rock 'n' roll en psychedelica uit de jaren 60, maar dan gespeeld met een punk insteek.

## BEAR - ///

Antwerps kwartet is terug met een album vol opgekropte woede! Op deze plaat staan elf ongenadig harde nummers, die aan een mix van Meshuggah meets The Dillinger Escape Plan doen denken. Deze band heeft in het verleden getournd met Black Dogs, Carcer City en The Colour Line.

RELEASE 14/04/2017

### BARTEK - BARTEK

Hard en snel, maar toch catchy. Dat is Bartek in een notendop. 13 April komen ze met hun debuutalbum, simpelweg *Bartek* genaamd. Ontstaan op 't Conservatorium van Amsterdam vanuit de drang om een dikke middelvinger naar de gevestigde orde van lieve, goed uitgedachte liedjes op te steken. Want Bartek doet daar niet aan.

*"Kijk, we maken no-nonsense fuzzrock, keiharde popliedjes met een slacker vibe. De band is ontstaan omdat er overal om ons heen zo moeilijk werd gedaan over liedjes, stijl en muziek. We zijn uiteindelijk gewoon catchy liedjes gaan maken en die hard & snel gaan spelen. Het is allemaal down to earth, witte t-shirtjes en hier en daar een trainingspak. Maar dan wel fucking strak en goed."* – Aldus BARTEK.

## CULT OF LUNA - LIVE AT LA GAITE LYRIQUE: PARIS

Zweedse band Cult of Luna kennen we natuurlijk van hun bezwerende live shows en zijn door velen al de beste live band in metal genoemd. Nu is er dan ook eindelijk livebeeld om deze uitspraak kracht bij te zetten!

Vorige release *Mariner* resulteerde bij de wereldwijde pers en fans tot alleen maar lovende kritieken en werd ook in talloze "Album van 't jaar" lijstjes opgenomen.

*"A few years ago, we took the decision to keep touring to a minimum. The sole reason was to prevent us from burning out, to keep the flame and the passion burning. But the experiences on the road that we've shared for almost 20 years has been life changing for all of us. It has bounded us together like brothers and we have been given the privilege to interact with incredible people all around the globe. So, we thought it was time to release a special object related to the live aspect of Cult of Luna and how we have progressed since the release of "Fire was born" eight years ago. Releasing DVDs is always a tough thing at all aspects, but that was the right time to do it for the people that are not able to see this band live often and everywhere, and so to end an era. The pictures that form the foundation for the art work and promotion are taken by Maria Louceiro. Her work is beyond words, please check it out. Art direction, as usual is handled by Erik Olofsson."* – Cult Of Luna

*"An outstanding visual, musical and sensory experience. One of the most beautiful live shows to be captured in the past 20 years. Nothing less"* – NOISEY/VICE

*"truly breathtaking"* – Kerrang!

### BELLEMONT - LIVE OR LAVISH

Na elk op een eigen manier vele muzikale waters met meer of minder succes (met o.a. The Wolf Banes, Red Zebra, Telstar, Betty Goes Green, Hetten Des, Sin Alley, Willy Willy, Kloot Per W, Dashboard Darling) doorzwommen te hebben, stapt het nieuw samengesteld gezin Bellemont uit hun comfortzone.

Bellemont mikt erop u traag te veroveren met hun geluid - zonder binnenweggetjes. Het concept achter de opnames van deze dubbelaar is dat het wordt uitgebracht in zowel een "Live" versie: vijf muzikanten in een opnamestudio uit 1942, zonder franjes, met geadem, gekraak en schoonheidsfoutjes; als in een "Lavish" versie: met dezelfde opnames als basis, maar uitgewerkt, bijgekleurd en opgeblonken. Alles opgenomen in de legendarische Jet Studios.

Bellemont is: Joe Bacart – drums, Bruno Beeckmans – keys, backing vox, Sam Malec – guitar, Pieter Vreede – bass, Tracee Westmoreland – vox.

CD 1 – Live versions. *Tale Of the Roses / Don't Wanna Know / Red Town / Did You Ever / On the Ocean / It's Time To Tell The Truth / Down To The Harbour / Why Do You Do / Déjà Vu / Through With Love*. CD 2 – Lavish versions, same tracklisting plus *Tale Of The Roses (alt version)*. Extra tracks available via download code.

### RAMONA - RAMONA

RAMONA is een intrigerende songwriter die samen met haar gelijknamige all-female band haar debuut op de wereld loslaat. Een plaat met songs die pakken, die raken, die alles doen wat ze moeten doen, niet in het minst door de knappe meerstemmige vokalen van de 4 dames en de verrassende arrangementen.

Annelies Van Dinter (Echo Beatty) hoorde RAMONA's eerste opnames en engageerde zich om de nummers verder uit te werken. Ze sleutelde met RAMONA aan de pre-productie en arrangementen. Om de nummers mee te vervolmaken vond RAMONA Naima Joris (ex-Isbells), Hanne Torfs (School is Cool), Anke Verslype (Roxy Horse) en Juno Kerstens (Mira, Ponies), waarvan ze met de laatste drie haar vaste groep vormt.

RAMONA werd geboren in Nederland in een klein dorp dat niemand kent. Als puber liep ze van huis weg om in Amsterdam in te trekken bij - haar ouders grootste nachtmerrie - een 51 jarige kunstenaar. Hier leerde ze een hele reeks oude klassiekers kennen (o.a. Randy Newman, Chet Baker, The Beatles..). Op de Toneelacademie in Maastricht werd ze als te 'anarchistisch' door verwezen naar de Kleinkunst afdeling van Studio Herman Teirlinck.

*"Ramona pulls you into her dream pop with constantly changing instruments and her own special style."* - VPRO 3voor12

### TRAVOLTAS - UNTIL WE HIT THE SHORE

De Travoltas zijn terug! Na een acht jaar durende pauze, liet de band in 2014 weer een teken van leven zien met hun EP *The Longest Wait*. In 2016 besloten ze de studio in te gaan om die oh zo langverwachte volwaardige plaat op te nemen. Het album is opgenomen in drummer Verhulst zijn Van Sonic studio te Amsterdam en daarna gemixed door zanger Leenhouts te Chicago. Daarmee levert Travoltas een aangename toevoeging voor hun al grote discografie.

Dit album heeft alles wat de Travoltas bekend heeft gemaakt: poppy, uptempo nummers die lang in je hoofd zullen blijven hangen. Een cocktail van Beach Boys en The Ramones op het strand en voila; Travoltas!

Hoogtepunten van de band zijn optreden op SXSW, opnemen met Marky Ramone, platendeals met CNR en RoadRunner Records, uitverkochte Beach Boys tribute shows, spelen op major festivals over de hele wereld, een vier maanden lang durende tour en een uitgebreide US Warped Tour

### PALAST - PALAST

cat. nr: SPVCD 264232  
bertus: S91251  
format: CD  
PPD: € 11,65

Musically, one might be inclined to place Palast in the eighties, because they rely solely on genuine vintage synthesizers home of that era. Authentic e-drums, real guitars. Their contemporaries would reach mostly for plug-ins to create these sounds. Not so PALAST, who love and need this artisan way of electronic music production.

### VACANT LOTS - ENDLESS NIGHT

cat. nr: METV 1066

The Vacant Lots' minimalist, primitive rock'n'roll tears up the psych template with a genuine punk spirit and a 'minimal means maximum effect' aesthetic. The duo explores the themes of duality, whether in the band's fiercely monochrome artwork or their lyrics, which deal with life and death, love & loss & the human condition.
