Als laatste voegen ze daar de vibe van de legendarische San Diego band Earthless aan toe, om zo tot een eigen mix te komen van psychedelische skate hardrock.

SCUMBAG MILLIONAIRE - 7" SINGLES: DEAD END / GOTTA MOVE

Als een voorproefje voor het aankomende debuutalbum, brengt Scumbag Millionaire twee 7" singles uit.

Deze band uit Gothenburg speelt punk op een dusdanig hoog tempo en heeft helemaal geen tijd voor onnodige bullshit. Hun plicht om bands als The Hellacopters, Turbonegro en The Hives te eren nemen ze serieus, en dat is te horen. Scumbag Millionaire geeft altijd 100%, zowel on stage als off stage. *One gear. Full speed. Go!*

BEASTMAKER - INSIDE THE SKULL

Langverwachte tweede album van de Amerikaanse doom metal sensatie. *Inside The Skull* is een keiharde tour-de-force, vol met duistere riffs en scheef getrokken blues-inspiratie, onder een donkere horror-wolk. Zonder twijfel een van de zwaarste en meest hypnotiserende albums van het jaar.

In 2015 verscheen de debuut EP, het jaar erop volgde de eerste full-length *Lusus Naturae*. Sinds het begin is Beastmaker al wereldwijd live te aanschouwen, met als twee highlights de tour met Blood Ceremony vorig jaar, en een optreden op Roadburn Festival.

DEWEZE, PASCAL - CULT OF YES

Sukilove bestaat niet meer, maar Pascal Deweze is er de man niet naar om zijn stembanden zomaar aan de haak te hangen: in mei verschijnt zijn eerste solo album! De grotendeels door Pascal zelf ingespeelde plaat verkent zich een weg doorheen donkere soul, krautrock, Marokkaanse percussie en analoge synths. Zonder meer een heel fraai debuut, een persoonlijk en verrassend album ook dat ook live als een huis zal staan.

Voor die live verdediging van de plaat tekenen enkele van de beste muzikanten die Vlaanderen in aanbieding heeft present: DRUMS Karen Willems (ex-Yuko, ex-Zita Swoon, Involves), BAS Alan Gevaert (dEUS, Chantal Acda, Trixie Whitley, Chris Whitley), PERCUSSIE Noah Melis (Bed Rugs, Shy Dog, Borokov Borokov), KEYS Hans De Prins (Go March, Broken Glass Heroes, Shun Club), GITAAR/KEYS Sjoerd Bruil (Black Cassette, Dez Mona, Gruppo di Pawlowski, ex-Sukilove,...), VOCALS Lien Moris (Piquet), VOCALS Anne-Sophie Ooghe (High Hi)

Met inspiratie van Ray Charles tijdens zijn Atlantic periode en Dusty, samengevoegd met de typische garage benadering van vandaag de dag, staat deze plaat garant voor een paar lekker dansbare oorwurmen.

Tot nu toe zijn alle projecten van psycholoog Frank M. Met LIONHEARTS heeft Spinath zijn eerste, echte solo project gerealiseerd, aangezien alles door hem bedacht is. Bun Lukas Boysen (Hecq) heeft de producerrol tot zich genomen.

SIKTH - FUTURE IN WHOSE EYES?

SikTh komt eindelijk met het langverwachte *The Future in Whose Eyes?*. Eerste full length studio album sinds de klassieker uit 2006, *Death Of A Dead Day* en de eerste plaat met nieuwe co-zanger Joe Rosser, ex-Aliases.

De band behoeft geen introductie en is sinds eind jaren '90 samen met Meshuggah een boegbeeld voor de progressieve metal en een van de voorlopers van de djent stroming. Op plaat oerdegelijk en strak, maar zelfs live machinaal goed te noemen.

In 2013 kwamen ze na 5 jaar afwezigheid weer bij elkaar voor een show op het Download Festival en 2 jaar later was daar de *Opacities* EP. Nu komen ze met een volwaardig album op de proppen om nog maar eens te laten zien waarom ze nog steeds relevant zijn in en buiten de progressieve metal en djent-scene.

Op *The Future in Whose Eyes?* Blijven de progressieve songs blijven boeien: elke keer dat je de nummers opnieuw aanzet, hoor je weer nieuwe dingen. Met dat gezegd te hebben, doet SikTh nog altijd waar ze altijd zo goed in zijn geweest: metal- én muzikliefhebbers verbazen.

Zang opgenomen in Mikee's eigen studio en R&R Studios met Adrian Smith (Iron Maiden). Gitaar en drum opgenomen in Monkey Puzzle House studios. Productie door Dan Weller zelf, mixing door Adam "Nolly" Getgood (Periphery). Met gastzang van Spencer Sotelo, Periphery.

Dan Weller, SikTh gitarist en producer: *"Ever since SikTh was formed way back at the turn of the century we've tried to self improve as musicians and as song writers. We take our music very seriously. This record feels like the one we've always wanted to make. This album is our statement - I want this album to define us. I don't care how over ambitious it sounds - we want this record to be heard by every metal fan on the planet."*

PR door Kamikaze-PR. Interview en review in Aardschok, Reviews in Rock Tribune. Features op Rockportaal, Metalfan, Frontview Magazine, Amped Up, Lords of Metal, Ragherrie, Dutch Metal Maniac, Metalkrant. Updates volgen.

MUTOID MAN - WAR MOANS

Mutoid Man is het geesteskindje van Steve Brodsky (Cave In - gitaar), Ben Koller (Converge, All Pigs Must Die - drums), en Nick Cageao op bas. Oorspronkelijk bedoeld als uitlaatklep voor de bandleden, maar ongeacht de indrukwekkende muzikale stamboom, is *War Moans* gewoon een imposante plaat geworden.

War Moans is het tweede album van Mutoid Man en laat horen dat deze artiesten stuk voor stuk een passie delen voor krankzinnige, meedogenloze metal. Riffs te extreem? Dat bestaat niet. Drumpartijen te absurd? Nooit.
