BARTEK - BARTEK

Hard en snel, maar toch catchy. Dat is BarteK in een notendop. 13 April komen ze met hun debuutalbum, simpelweg *BarteK* genaamd. Ontstaan op 't Conservatorium van Amsterdam vanuit de drang om een dikke middelvinger naar de gevestigde orde van lieve, goed uitgedachte liedjes op te steken. Want BarteK doet daar niet aan.

"Kijk, we maken no-nonsense fuzzrock, keiharde popliedjes met een slacker vibe. De band is ontstaan omdat er overall om ons heen zo moeilijk werd gedaan over liedjes, stijl en muziek. We zijn uiteindelijk gewoon catchy liedjes gaan maken en die hard & snel gaan spelen. Het is allemaal down to earth, witte t-shirtjes en hier en daar een trainingspak. Maar dan wel fucking strak en goed." – Aldus BARTEK.

RELEASE 21/04/2017

CULT OF LUNA - LIVE AT LA GAITE LYRIQUE: PARIS

Zweedse band Cult of Luna kennen we natuurlijk van hun bezwerende live shows en zijn door velen al de beste live band in metal genoemd. Nu is er dan ook eindelijk livebeeld om deze uitspraak kracht bij te zetten!

Vorige release *Mariner* resulteerde bij de wereldwijde pers en fans tot alleen maar lovende kritieken en werd ook in talloze "Album van 't jaar" lijstjes opgenomen.

"A few years ago, we took the decision to keep touring to a minimum. The sole reason was to prevent us from burning out, to keep the flame and the passion burning. But the experiences on the road that we've shared for almost 20 years has been life changing for all of us. It has bounded us together like brothers and we have been given the privilege to interact with incredible people all around the globe. So, we thought it was time to release a special object related to the live aspect of Cult of Luna and how we have progressed since the release of "Fire was born" eight years ago. Releasing DVDs is always a tough thing at all aspects, but that was the right time to do it for the people that are not able to see this band live often and everywhere, and so to end an era. The pictures that form the foundation for the art work and promotion are taken by Maria Louceiro. Her work is beyond words, please check it out. Art direction, as usual is handled by Erik Olofsson." – Cult Of Luna

"An outstanding visual, musical and sensory experience. One of the most beautiful live shows to be captured in the past 20 years. Nothing less" – NOISEY/VICE

"truly breathtaking" – Kerrang!

GNOD - JUST SAY NO TO THE PSYCHO RIGHT-WING CAPITALIST FASCIST INDUSTRIAL DEATH MACHINE

Just Say No... is een en al riffs, diepgewortelde haat, en opgekropte frustratie. Deze Britten zijn niet op hun mondje gevallen en spreken zich dan ook maar al te graag ook uit over de wereld vandaag de dag. Deze maand is de band Artist in Residence op Roadburn.

"It seems like we are heading towards even more unsettling times in the near future than we are in at present. 2016 is just the beginning of what I see as the establishment's systematic destruction of liberalism and equality as a reaction to the general public's loss of faith in their system", aldus Chris Haslam.

"On the surface, it could almost seem like there's no political art movement out there to oppose what's happening, but there is - we know there is" voegt Paddy Shine toe. *"Maybe that movement is struggling to find its voice as a cohesive whole right now but that will change."*

TRAVOLTAS - UNTIL WE HIT THE SHORE

De Travoltas zijn terug! Na een acht jaar durende pauze, liet de band in 2014 weer een teken van leven zien met hun EP *The Longest Wait*. In 2016 besloten ze de studio in te gaan om die oh zo langverwachte volwaardige plaat op te nemen. Het album is opgenomen in drummer Verhulst zijn Van Sonic studio te Amsterdam en daarna gemixed door zanger Leenhouts te Chicago. Daarmee levert Travoltas een aangename toevoeging voor hun al grote discografie.

Dit album heeft alles wat de Travoltas bekend heeft gemaakt: poppy, uptempo nummers die lang in je hoofd zullen blijven hangen. Een cocktail van Beach Boys en The Ramones op het strand en voila; Travoltas!

Hoogtepunten van de band zijn optreden op SXSW, opnemen met Marky Ramone, platendeals met CNR en RoadRunner Records, uitverkochte Beach Boys tribute shows, spelen op major festivals over de hele wereld, een vier maanden lang durende tour en een uitgebreide US Warped Tour

BELLEMONT - LIVE OR LAVISH

Na elk op een eigen manier vele muzikale waters met meer of minder succes (met o.a. The Wolf Banes, Red Zebra, Telstar, Betty Goes Green, Hetten Des, Sin Alley, Willy Willy, Kloot Per W, Dashboard Darling) doorzwoomen te hebben, stapt het nieuw samengesteld gezin Bellemont uit hun comfortzone.

Bellemont mikt erop u traag te veroveren met hun geluid - zonder binnenweggetjes. Het concept achter de opnames van deze dubbelaar is dat het wordt uitgebracht in zowel een "Live" versie: vijf muzikanten in een opnamestudio uit 1942, zonder franjes, met geadem, gekraak en schoonheidsfoutjes; als in een "LavisH" versie: met dezelfde opnames als basis, maar uitgewerkt, bijgekleurd en opgeblonken. Alles opgenomen in de legendarische Jet Studios.

Bellemont is: Joe Bacart – drums, Bruno Beeckmans – keys, backing vox, Sam Malec – guitar, Pieter Vreede – bass, Tracee Westmoreland – vox.

CD 1 – Live versions. *Tale Of the Roses / Don't Wanna Know / Red Town / Did You Ever / On the Ocean / It's Time To Tell The Truth / Down To The Harbour / Why Do You Do / Déjà Vu / Through With Love*. RAMONA - RAMONA

RAMONA is een intrigerende songwriter die samen met haar gelijknamige all-female band haar debuut op de wereld loslaat. Een plaat met songs die pakken, die raken, die alles doen wat ze moeten doen, niet in het minst door de knappe meerstemmige vokalen van de 4 dames en de verrassende arrangementen.

Annelies Van Dinter (Echo Beatty) hoorde RAMONA's eerste opnames en engageerde zich om de nummers verder uit te werken. Ze sleutelde met RAMONA aan de pre-productie en arrangementen. Om de nummers mee te vervolmaken vond RAMONA Naima Joris (ex-Isbells), Hanne Torfs (School is Cool), Anke Verslype (Roxy Horse) en Juno Kerstens (Mira, Ponies), waarvan ze met de laatste drie haar vaste groep vormt.

RAMONA werd geboren in Nederland in een klein dorp dat niemand kent. Als puber liep ze van huis weg om in Amsterdam in te trekken bij - haar ouders grootste nachtmerrie - een 51 jarige kunstenaar. Hier leerde ze een hele reeks oude klassiekers kennen (o.a. Randy Newman, Chet Baker, The Beatles..). Op de Toneelacademie in Maastricht werd ze als te 'anarchistisch' door verwezen naar de Kleinkunst afdeling van Studio Herman Teirlinck.

"Ramona pulls you into her dream pop with constantly changing instruments and her own special style." - VPRO 3voor12

Farsot komt met hun derde album alweer, ditmaal gebaseerd op Peter Greenaway's *Drowning By Numbers* en andere Art Nouveau werken.

FAIL-LURE mengt de early Black Metal sound met de typische, karakteristieke Farsot songwriting. Geproduceerd door V. Santura (Triptykon, Secrets Of The Moon, Schammasch, Dark Fortress), wat resulteert tot een plaat die qua productie klinkt zoals het debuut van deze band uit 2007.

BORLAND, ADRIAN - BEAUTIFUL AMMUNITION

Adrian Borland was zanger van de Engelse band The Sound, een band die tegelijk met bands als Echo & The Bunnymen en U2 op kwam, maar The Sound heeft het, ondanks een paar heel goede albums, nooit zo ver geschopt als die band.

Uiteindelijk kwam hij in Haarlem terecht, speelde toen ook met Nederlandse muzikanten in zijn band en heeft uiteindelijk zelfmoord gepleegd. Hij had medicijnen tegen zijn depressie, maar dat blokkeerde zijn creatieve geest, dus vandaar dat ie af en toe ophield met de medicatie, maar dat is hem dus fataal geworden.

Heruitgave van het album uit 1994, met nieuw artwork en drie bonus tracks.
